Dated Aizawl, the 26th October, 2017

CIRCULAR

Attention of all Principals and Headmasters of Higher Secondary Schools and High Schools affiliated to the Mizoram Board of School Education is hereby invited to the provisions of the Mizoram Board of School Education (Management of Examination) Regulations, 1991 which, inter alia, prohibit selection of candidates for admission to the School Leaving Certificate Examination under the Board. In spite of the provisions under the said rules, there had been instances in the past where regular students were debarred by the school authorities under one pretext or another from appearing in School Leaving Certificate Examination, whereas the primary motive behind such debarments is to attain higher pass percentage or better result for the school in such examinations.

It is hereby enjoined once again that all Principals and Headmasters of Higher Secondary Schools and High Schools affiliated to the Mizoram Board of School Education should not resort to any type of selection, including exclusion of student due to poor performance in the Integrated Evaluation Scheme, for any of the School Leaving Certificate Examinations. Violation of this instruction will invite strict action against the defaulting schools, and the concerned Headmaster or Principal shall personally be held responsible.

(K. LALTHAWMMAWIA)
Director of School Education
Mizoram : Aizawl

Memo No. A.45011/1/2016-DTE(EDN)/91 : Dated Aizawl, the 26th October, 2017
