CIRCULAR

In view of the prevailing cold winter conditions and in the interest of the health and well-being of students, all schools i.e Government, Government Aided, and Private Schools under the jurisdiction of the School Education Department, Government of Mizoram are hereby informed that relaxation in the prescribed school uniform is permitted during the winter season. Accordingly, students may be allowed to wear stockings, leggings, thermal wear, sweaters, jackets, or other appropriate warm clothing in addition to their regular school uniform. Such relaxation shall be permitted without any penalty or restriction, provided that the additional clothing is decent, simple, and appropriate for a school environment. To maintain a smart appearance, it is requested that leggings or stockings be in solid colours that complement the school uniform (e.g., black, navy blue, or dark grey), unless otherwise specified by individual school leadership. School Heads are requested to ensure that this relaxation is implemented uniformly and that no student is denied entry or participation in school activities on account of winter clothing worn for protection against cold. This circular is issued in the interest of students' health and that this relaxation is seasonal and will remain in effect until 27th February 2026, or until a further notice is issued, whichever is earlier.
