CIRCULAR

Subject: Prohibition of Admission to Higher Classes for Students Failing in Class IX and Class XI – Strict Compliance Regulated Under MBSE and MBSC Rules.

It has come to the notice of the Directorate that certain schools within the state, both Government and Private, have allowed students who have not passed Class IX or Class XI to be admitted or promoted to the next higher class in violation of prescribed academic regulations.

In this regard, all schools are hereby reminded that such practices are strictly prohibited and contravene the rules laid down by the Mizoram Board of School Education (MBSE). Such unauthorised admissions also violate the academic progression norms set forth by the MBSE, which require a minimum standard of learning achievement to be met at each stage before progression to the next level.

Therefore, it is hereby ordered that no school, whether Government or Private, shall admit or promote any student to Class X or Class XII unless they have passed Class IX and Class XI, respectively, in accordance with the relevant examination and promotion criteria. Any deviation from this directive shall be viewed seriously and may invite disciplinary action, including withdrawal of recognition or affiliation, under relevant provisions of the Education Act and MBSE Regulations.

All DEOs and SDEOs are instructed to ensure strict monitoring and compliance within their jurisdictions.
