Respected Ma'am / Sir,

Please find attached letter from Shri Nand Kumarum, President & CEO, NeGD for the above said matter.

With Regards,

Office of

President & CEO / अध्यक्ष एवं मुख्य कार्यकारी अधिकारी

National e-Governance Division (NeGD)/ राष्ट्रीय ई-गवर्नेंस प्रभाग

Ministry of Electronics and Information Technology (MeitY)/ इलेक्ट्रॉनिक्स एवं सूचना प्रौद्योगिकी मंत्रालय

Government of India/ भारत सरकार

Electronics Niketan/ इलेक्ट्रॉनिक्स निकेतन

Tel/ दूरभाष: 011-24363078, 24301916

Email/ ई-मेल: ceo-negd@digitalindia.gov.in

No. NeGD/Edu/03/2026

Date: 01.04.2026

To,

The Secretary,

School Education Boards (National & State Boards)

All States/UTs

Sub: Regarding issuance of real-time result declaration on DigiLocker platform

Respected Ma'am/Sir

DigiLocker is a flagship initiative of the Ministry of Electronics and Information Technology (MeitY) under the Digital India programme. It aims to promote digital empowerment by providing citizens with secure access to authentic and legally valid documents through a digital document wallet. Currently, DigiLocker serves a user base of over 67.99 crore and enables the issuance and access of digital documents from various Central and State departments, as well as other issuing authorities. These documents include academic certificates, proof of identity (POI), proof of address (POA), and a wide range of other citizen-centric records.

2. Currently DigiLocker system has been able to integrate educational certificates for 31 States/UTs&Central Education Boards (CBSE, CISCE, NIOS).Further to this, integration with DigiLocker has been a great success to announce real-time board results via DigiLocker platform (<https://results.digilocker.gov.in/>) and most of the National/State boards are issuingdigital marksheet & certificates in real-time using DigiLocker.

3. This effort can be easily replicated in any Education Board to provide real-time results and issue digital mark-sheets and certificates to the student's Digital wallet on the same day & same time of result announcement. DigiLockerprovides technical help as well as storage space facility to store certificate data in a secure National Academic Depository (<https://nad.digilocker.gov.in/>) and ensure the availability of board certificates and academic records to the students account on DigiLocker platform without any cost to the board& students.

4. This measure will assist Education Boards in efficiently managing and distributing loads associated with publishing real-time results, while also facilitating seamless access to these results on a national platform. Furthermore, it will enable the provision of digital copies of marksheets and certificates in real-time through DigiLocker platform.

5. Additionally, DigiLocker also provides online document verification service which can be leveraged by requester organization like; Government department/ Academic Institutions etc. It is therefore requested for kind directions to the concerned official/Board for issuance of real-time result declaration on DigiLocker platform (<https://results.digilocker.gov.in/>).

6. For further communication and clarification Mr J L Gupta, Director, NeGD (director.anc@digitalindia.gov.in) or Mr. Prakash Kumar Pandey, Senior Manager (NAD-DigiLocker, ABC & APAAR), (M: +91-9711133792, email: prakashk.pandey@digitalindia.gov.in) may kindly be contacted.

Regards

Yours sincerely,

Nand Kumarum
