Provided further that mass upgradation of pay scales w.e.f. 1.6.2007 vide Finance Department Notifications No. G.11013/4/2007-FIN(PRU)/A dt 28.8.2007, No.G.12017/3/2007-FIN(PRU) dt. 28.8.2007, No.G.11013/3/2007-FIN(PRU)dt.5.5.2008 No.G.12017/3/2007-FIN(PRU) dt. 23.7.2008 and No.G.12017/3/2007- FIN(PRU) dt.5.9.2008 with all annexures thereto shall have no effect in the regulation of pay under these rules;

Provided again, that there can be cases where the feeder posts and promotional posts are merged in the same pay-band and grade-pay, in which cases, the benefit of one additional increment may be given to the employees on such promotion falling after 1.1.2006 [please see rule 7(11)].

(2) Posts upgraded after 1.1.2006: There may be some posts which have been restructured or upgraded after 1.1.2006. In such cases, they will be given pay band and grade pay as per Annex-I and will be subsequently placed in the appropriate pay band and grade pay applicable to the restructured and upgraded post from the date of such restructuring or upgradation.

6. Exercise of Option -

(1) The option under the provisos to Rule 5 shall be exercised in writing in Form-I appended to these rules so as to reach the authority mentioned in sub rule (2) within three months of the date of publication of these rules or where an existing or actual scale has been revised by any order made subsequent to that date, within three months of the date of such order.

Provided that -

(i) in the case of a Government servant who is, on the date of such publication or, as the case may be, date of such order, out of India on leave or deputation or foreign service, the said option shall be exercised in writing so as to reach the said authority within three months of the date of his taking charge of his post in India; and

- (ii) where a Government servant is under suspension on the 1st day of January, 2006, the option may be exercised within three months of the date of his return to his duty if that date is later than the date prescribed in this sub-rule.
- (2) The option shall be intimated by the Government servant to the Head of his Office.
- (3) If the intimation regarding option is not received within the time mentioned in sub-rule (1), the Government servant shall be deemed to have elected to be governed by the revised pay structure with effect on and from the 1st day of January, 2006.
- (4) The option once exercised shall be final.

Note 1 - Persons whose services were terminated on or after the 1st January, 2006 and who could not exercise the option within the prescribed time limit, on account of discharge on the expiry of the sanctioned posts, resignation, dismissal or discharge on disciplinary grounds, are entitled to the benefits of this rule.

Note 2 - Persons who have died on or after the 1st day of January, 2006 and could not exercise the option within the prescribed time limit are deemed to have opted for the revised pay structure on and from the 1st day of January, 2006 or such later date as is most beneficial to their dependents, if the revised pay structure is more favourable and in such cases, necessary action for payment of arrears should be taken by the Head of Office.

Note 3 - Persons who were on earned leave or any other leave on 1.1.2006 which entitled them to leave salary will be allowed the benefits of this rule.

7. **Fixation of initial pay in the revised pay structure :**

(1) The initial pay of a Government servant who elects, or is deemed to have elected under sub-rule (3) of rule 6 to be governed by the revised pay structure on and from the 1st day of January 2006, shall, unless in any case the Governor by special order otherwise directs, be fixed separately in respect of his substantive pay in the permanent post on which he holds a lien or would have held a lien if it had not been suspended, and in respect of his pay in the officiating post held by him, in the following manner, namely :-

(A) in the case of all employees :-

(i) **Initial fixation of pay** : While fixing the initial pay of a Government servant, the existing basic pay as on 1.1.2006 along with 50% of the basic pay i.e. DP and the existing rate of 24% of Dearness Allowance as on 1.1.2006 should be taken into consideration so that an employee will not be at financial loss due to fixation of pay in the revised pay structure. In short, the existing basic pay as on 1.1.2006 will be multiplied by a factor of 1.86 (this is equal to Basic Pay + DP + DA) and the resultant amount should be rounded up to the next multiple of 10. The amount so arrived at plus the applicable Grade Pay will be the new Basic Pay in the revised pay structure. If the amount so arrived at by multiplying the basic pay by 1.86 is less than the minimum of the pay band, then the initial pay shall be placed at the minimum of the pay band. Thus, the Grade Pay applicable to an employee in relation to the scale of pay in which he was drawing his pay will be in the form of fitment benefit. The revised structure of pay bands and grade pay shall be applicable from 1.1.2006 onwards.

(ii) If the minimum of the revised pay band/ pay scale is more than the amount arrived at as per (i) above, the pay shall be fixed at the minimum of the revised pay band/ pay scale.

- (B) In the case of employees who are in receipt of special pay/ allowance in addition to pay in the existing scale which has been recommended for replacement by a pay band and grade pay without any special pay/allowance, pay shall be fixed in the revised pay structure in accordance with the provisions of clause (A) above.
- (C) In the case of employees who are in receipt of special pay component with any other nomenclature in addition to pay in the existing or actual scales, such as personal pay for promoting small family norms, etc., and in whose case the same has been replaced in the revised pay structure with corresponding allowance/pay at the same rate or at a different rate, the pay in the revised pay structure shall be fixed in accordance with the provisions of clause (A) above. In such cases, the allowance at the new rate as recommended, if any, shall be drawn in addition to pay in the revised pay structure from the date specified in the notifications related to these allowances.
- 7(2) In the case of medical officers who are in receipt of Non-Practising Allowance, the pay in the revised pay structure shall be fixed in accordance with the provisions of clause (A) above except that, in such cases, the pre-revised dearness allowance appropriate to the non-practising allowance admissible at index average 536 (1982=100) shall be added while fixing the pay in the revised pay band. However, continuance of NPA shall be subject to the condition that only those doctors who are not having private practice will receive NPA and all doctors doing private practice will not avail NPA.
- 7(3) A Government servant who is on leave on the 1st day of January, 2006 and is entitled to leave salary shall become entitled to pay in the revised pay structure from 1.1.2006 or the date of option for the revised pay structure. Similarly, where a government servant is on study leave on the first day of January, 2006 he will be entitled to the benefits under these Rules from 1.1.2006 or the date of option.

- 7(4) A Government servant under suspension, shall continue to draw subsistence allowance based on existing scale of pay and his pay in the revised pay structure will be subject to the final order on the pending disciplinary proceedings.
- 7(5) Where a Government servant is holding a permanent post and is officiating in a higher post on a regular basis and the scales applicable to these two posts are merged into one scale, the pay shall be fixed under this sub-rule with reference to the officiating post only, and the pay so fixed shall be treated as substantive pay. The provisions of this Note shall apply *mutatis mutandis*, to Government servants holding in an officiating capacity, posts on different existing scales which have been replaced by the revised pay structure.
- 7(6) Where the 'existing emoluments' exceed the revised emoluments in the case of any Government servant, the difference shall be allowed as *personal pay* to be absorbed in future increases in pay.
- 7(7) Where in the fixation of pay under sub-rule (1), the pay of a Government servant, who, in the existing scale was drawing immediately before the 1st day of January, 2006 more pay than another Government servant junior to him in the same cadre, gets fixed in the revised pay band at a stage lower than that of such junior, his pay shall be stepped upto the same stage in the revised pay band as that of the junior.
- 7(8) Where a Government servant is in receipt of personal pay on the 1st day of January 2006, which together with his existing emoluments exceeds the revised emoluments, then, the difference representing such excess shall be allowed to such Government servant as personal pay to be absorbed in future increases in pay.

7(9) In the case of employees who are in receipt of personal pay for passing Hindi Praya, Hindi Typewriting, Hindi Shorthand and such other examinations under the "Hindi Teaching Scheme", or on successfully undergoing training in cash and accounts matters prior to the 1st day of January, 2006, while the personal pay shall not be taken into account for purposes of fixation of initial pay in the revised pay structure, they would continue to draw personal pay after fixation of their pay in the revised pay structure. The quantum of such personal pay would be paid at the appropriate rate of increment in the revised pay structure from the date of fixation of pay for the period for which the employee would have continued to draw it.

Explanation - For the purpose of this Note, " appropriate rate of increment in the revised pay structure" means 3% of the sum of the pay in the pay band and the grade pay at the stage at which the pay of the employee is fixed in the revised pay structure.

7(10) In cases where a senior Government servant promoted to a higher post before the 1st day of January, 2006 draws less pay in the revised pay structure than his junior who is promoted to the higher post on or after the 1st day of January, 2006, the pay in the pay band of the senior Government servant should be stepped up to an amount equal to the pay in the pay band as fixed for his junior in that higher post. The stepping up should be done with effect from the date of promotion of the junior Government servant subject to the fulfillment of the following conditions, namely:-

- (a) Both the junior and the senior Government servants should belong to the same cadre and the posts in which they have been promoted should be identical in the same cadre.
- (b) The pre-revised scale of pay and the revised grade pay of the lower and higher posts in which they are entitled to draw pay should be identical.

- (c) The senior Government servants at the time of promotion should have been drawing equal or more pay than the junior.
- (d) The anomaly should be directly as a result of the application of the provisions of Fundamental Rule 22 or any other rule or order regulating pay fixation on such promotion in the revised pay structure. If even in the lower post, the junior officer was drawing more pay in the pre-revised scale than the senior by virtue of any advance increments granted to him, provision of this Note need not be invoked to step up the pay of the senior officer.

7(11) There can be cases where the feeder post and promotional posts in the pre-revised scale are merged in the same pay band and grade pay. In such cases, the benefit of *one additional increment* may be given to the employee who was in the promotional post in the pre-revised scale, wherever a separate Grade Pay is not attached to the promotional post in the revised pay structure.

7(12) Each employee whose pay shall be fixed under these rules shall file an Undertaking in Form-III appended to these rules.

7(13) While fixing the pay of a government servant under Rule 7,8 & 11 of these rules, the Fitment Table at Annex-II may be taken as a ready reference and reckoner for such fixation.

8. **Fixation of pay in the revised pay structure of employees appointed as fresh recruits on or after 1.1.2006 :**

Table - 2 of these Rules indicates the entry level pay in the pay band at which the pay of direct recruits to a particular post carrying a specific grade pay will be fixed on or after 1.1.2006.

This will also be applied in the case of those recruited between 1.1.2006 and the date of issue of this Notification. In such cases, where the emoluments in the basic pay scale(s) [i.e., basic pay in the pre-revised pay scale(s) plus Dearness Pay plus Dearness Allowance applicable on the date of joining] exceeds the sum of the pay fixed in the revised pay structure and the applicable dearness allowance thereon, the difference shall be allowed as personal pay to be absorbed in future increments in pay. All fixation of initial pay under Rule 7,8 & 11 of these rules shall be done in Form-II.

9. Rate of increment in the revised pay structure :

The rate of increment in the revised pay structure will be 3% of the sum of the pay in the pay band and grade pay applicable, which will be rounded off to the next multiple of 10. The amount of increment will be added to the existing pay in the pay band.

10. Date of next increment in the revised pay structure :

There will be a uniform date of annual increment, viz, 1st July of every year. Employees completing 6 months and above in the revised pay structure as on 1st of July will be eligible to be granted the increment.

Provided that in the case of persons who had been drawing maximum of the existing scale for more than a year as on the 1st day of January, 2006, the next increment in the revised pay structure shall be allowed on the 1st day of January, 2006. Thereafter, the provision of Rule 11 would apply.

Provided also that for those employees whose date of next increment falls on 1.1.2006, the instructions already provided for granting an increment in the pre-revised pay scale as on 1.1.2006 and then fixing their pay in the revised pay scales. Such Government servants would also get their next increment on 1.7.2006.

Provided further that in cases where an employee reaches the maximum of his pay band, shall be placed in the next higher pay band after one year of reaching such a maximum. At the time of placement in the higher pay band, benefit of one increment will be provided. Thereafter, he will continue to move in the higher pay band till his pay in the pay band reaches the maximum of PB-4, after which no further increments will be granted.

Note - In case where two existing scales, one being a promotional scale for the other, are merged, and the junior Government servant, now drawing his pay at equal or lower stage in the lower scale of pay, happens to draw more pay in the pay band in the revised pay structure than the pay of senior Government servant in the existing higher scale, the pay in the pay band of the senior government servant shall be stepped up to that of his junior from the same date and he shall draw next increment in accordance with Rule 10.

11. Fixation of pay in revised pay structure subsequent to the 1st day of January, 2006. :

Where a Government servant continues to draw his pay in the existing scale and is brought over to the revised pay structure from a date later than the 1st day of January, 2006, his pay from the later date in the revised pay structure shall be fixed in the following manner:-

- (i) Pay in the pay band will be fixed by adding the basic pay applicable on the later date, the dearness pay applicable on that date and the pre-revised dearness allowance based on rates applicable as on 1.1.2006. This figure will be rounded off to the next multiple of 10 and will then become the pay in the applicable pay band. In addition to this, the grade pay corresponding to the pre-revised pay scale will be payable. Where the Government servant is in receipt of special pay or non-practising allowance, the methodology followed will be as prescribed in Rule 7 (B), (C) and 7(2) as applicable, except that the basic pay and dearness pay to be taken into account will be the basic pay and dearness pay appropriate to the basic pay applicable as on that date but dearness allowance will be calculated as per rates applicable on 1.1.2006.

12. Fixation of pay on reappointment after the 1st day of January, 2006 to a post held prior to that date :

A Government servant who had officiated in a post prior to the 1st day of January, 2006 but was not holding that post on that date and who on subsequent appointment to that post draws pay in the revised pay structure shall be allowed the benefit of the proviso to Fundamental Rule 22, to the extent it would have been admissible had he been holding that post on the 1st day of January, 2006, and had elected the revised pay structure on and from the date.

13. Fixation of pay on promotion on or after 1.1.2006 :

In the case of promotion from one grade pay to another in the revised pay structure, the fixation will be done as follows:

- (i) One increment equal to 3 % of the sum of the pay in the pay band and the existing grade pay will be computed and rounded off to the next multiple of 10. This will be added to the existing pay in the pay band. The grade pay corresponding to the promotion post will thereafter be granted in addition to this pay in the pay band. In cases where promotion involves change in the pay band also, the same methodology will be followed. However, if the pay in the pay band after adding the increment is less than the minimum of the higher pay band to which promotion is taking place, pay in the pay band will be stepped to such minimum.

Clarification

On promotion from one grade to another/financial upgradation under ACP, a Government servant has an option under FR 22 (I) (a) (I) to get his pay fixed in the higher post either from the date of his promotion, or from date of his next increment, viz. 1st July of the year. The pay will be fixed in the following manner in the revised pay structure :-

- (a) In case the Government servant opts to get his pay fixed from his date of next increment, then, on the date of promotion, pay in the pay band shall continue unchanged, but the grade pay of the higher post will be granted. Further re-fixation will be done on the date of his next increment i.e. 1st July. On that day, he will be granted two increments: one annual increment and the second on account of promotion. While computing these two increments, basic pay prior to the date of promotion was Rs.100, first increment would be computed on Rs.100 and the second on Rs. 103.
 - (b) In case the Government servant opts to get his pay fixed in the higher grade from the date of his promotion, he shall get his first increment in the higher grade on the next 1st July if he was promoted between 2nd July and 1st January. However, if he was promoted between 2nd January and 30th June of a particular year, he shall get his increment on 1st July of next year.
- (ii) For Government servants in receipt of NPA, pay plus NPA will not exceed Rs. 85,000.
